Mead Senior High School

Mead, Washington

Superintendent
MR. HUSSEY

District Secretaries
MRS. STEPHENS MRS. HANSEN

This book is a record of the many accomplishments of the students who compose the membership of the Mead Senior High School. In its pages are detailed the names of those who participated in all the many activities.

Those students who took on the responsibility for seeing an activity through to completion are to be complimented. Those who participated and did their best are to be complimented.

Your superintendent is happy to have this opportunity to tell you how proud he is to occupy this position; for it is what you, the students of Mead Senior High School, accomplish that swells that pride.

I know that your record this school year causes those graduates of previous years to also feel pride that they too once were members of this high school student body.

Lastly, when you too are graduated from this high school, you will be leaving a rich heritage of accomplishments for undergraduates to strive for.

Secretary

Mead Senior High is blessed this year with three of the best classes it has ever had. This year's sophomores have shown themselves to be a strong, eager, and talented class. The juniors have gone beyond all predictions of their successes. Such a class as the juniors means a great senior class a year from now. The seniors, bless them, are terrific. The leadership, the spirit, and the academic success are all at new highs.

No wonder Mead High School is the good school that it is and getting better every year. We have the finest students anyone could want.

Panthers Howl

SITTING: Cecelia Austin, Margaret Freeborg. STANDING: Allyne Moore, Kathleen McIlvanie, Judy Poffenroth, Jack Hensley, Sandra Bennett, Frank Knott, Rosemary Dellwo.

Some enterprising Seniors last fall felt that Mead High School was in dire need of a school paper. They discussed the possibility of including a class on Journalism in the school curriculum with Mr. Jenkins. Sixteen Seniors enrolled. Weekly editions are now published, giving school news and up-to-the minute survey. Each member of the class has had the experience of being editor and associate editor. These students learn layout, news writing, feature story writing, and interviews. The Panther's Howl was accepted well by students and we hope that our paper will be continued.

SITTING: JoAnn Johnson. STANDING: Dennis Pehl, Ellen Peterson, Karen Wall, Kar Nesbeitt, Patti Swett, Cathi Castle.

We, the Annual Staff of 1960, are proud and honored to dedicate this yearbook to the Teenagers of America.

In the years to come the youth of today will be the backbone of our nation. The future growth and prosperity of our entire world rests in their hands.

As the pages of this book unfold you will see how our school endeavors to prepare them for this work. Therefore it is with great pride and pleasure that we inscribe this book to the leaders of tomorrow; YOU, the Teenagers of today.

Football

Meads' football team went into action on September 17 after being invited into the city league to make an even number of schools participating in the valley Merry-Go-Round Game. The first kickoff was West Valley kicking to Mead who held on to the ball and gave us the yardage advantage of 79 to 1 to win the first quarter.

In the second quarters' action Gonzaga downed Central Valley which left the two valley schools to battle the third quarter and ending with West Valley ahead.

Beginning the final quarter in which Gonzaga and Mead battled for the championship with a close start for both but ending with Gonzaga on top 12-0.

The next night Mead traveled to Colville to participate in another Merry-Go-Round in which they fought long and hard. But as the quarters went by and victories were won. Mead took fourth.

In league competition Mead found only one equal. It went through the leagues' five games with only one loss, to Chewelah, for a tie with Deer Park, in obtaining the Northeast Washington Class A Title.

During the season Mead played Ephrata who was the number 1 team in the state last year, to a 13-13 tie. Later in the season Mead ventured off into Idaho to play Moscow, a triple A school. Both schools played a hard game but Moscow won 7-6.

For the last game of the season Mead met West Valley on November 11 at West Valley. It was an exciting and important game with West Valley coming out on top by a score of 32 to 0.

Mead finished a very happy season with a total of 5 wins and 3 losses and a tie for the league championship.

Homecoming Events

The Senior Class presented their version of a festival occasion when they set out to make the Homecoming Week of '59 an event to remember. On October 21, the Pep Rally was organized with a car caravan following.

Friday, October 22, started out with a football game and crowning of Queen Margaret Freeborg and her court, Princesses Harriet Templeton and Peggy Cerenzia. This evening was highlighted with a dance where Margaret was recrowned and escorted onto the floor, for the spotlight dance, by football captain, Wayne Christenson.

ANOTHER YEAR, ANOTHER CARNIVAL

T'was the day before the Carnival
When all through the school hall
Students were stirring to prepare
For this gayla affair
After hours of preparation everything was done
Tomorrow night they could begin their fun.

On October 2, away to the carnival they flew like a flash
Ready to join in on the fun-filled bash
With prizes for the best decorated stand
Karen Smith's, Ring Toss won the best in the land
All too soon it came to a close
But not before the King and Queen were chose
The Carnival Chairman, Frank Knott, shouted each candidate by name,
Now Cheryl, Now Harvey, Now Diane, Now Bill, On Larry,
On Kathy, to see which class is on top of the hill.
The Senior Class won with Kathy and Larry reaching for fame.

I heard everyone exclaim as they drove out of sight
"This has really been a fun-filled night."

Girls' League

The Girls' League of Mead Senior High School includes all girls in its membership. The governing body is the Executive Council composed of the officers - President, Vice President, Secretary, Treasurer, two Sergeants-at-Arms, and two Representatives from each class. Dues are 50¢ per year.

The League is primarily a service organization. The junior and senior girls serve as Big Sisters to incoming girls to help them to become acquainted with other students and with the procedures of the school. The League sends cards and gifts to students and faculty when they are ill. Certain times of the year baskets of food and clothing are provided for needy families.

Social activities of the Girls' League are a Sadie Hawkins' Dance in the fall, the Sweetheart-Ball in February, the Father-Daughter Banquet in March, and the Mother's Tea in May.

Debate

FIRST ROW: Carolynne Warfield, Harriet Templeton, Rosemary Dellwo, Virginia Kanzler. SECOND ROW: Sharon Lee, Linda Simpson, Bob McBeth, Odette Gilbert, Terry Wells.

Everyone knows that our fall and winter sports program includes football, wrestling, basketball, baseball, and track. However, there is another added to the list also. This sport is Debate. In essence the debate season has no ending or beginning, but is continuous throughout the year. Good argumentation is based upon fact and logic. In order to establish either of these, a debater must have a solid and current knowledge of the subject. This requires constant study and preparation.

This years' resolution reads specifically: Resolved that the Federal Government of the United States Should Substantially Increase its Regulation of Labor Unions. Taking the affirmative stance, Mead was represented by Bob McBeth and Terry Wells. On the negative Harriet Templeton and Rosemary Dellwo took on all challengers.

The Northwest District League of which our school is a member consists of all the city schools; Gonzaga Prep, Marycliff, Little Flower, all the valley schools, Cheney and Mead.

At the close of each year any debator can certainly look back with pleasure at the programs he or she has made in the field of personal experience, logical thinking and concrete analyzation of material.

F.F.A.

The Future Farmers of America has been a very active organization, taking part in a number of contests and trips during the year. The F. F. Luck and winning seemed to be against the Mead Panthers as they started the season, but the will to win was strong and the boys pulled out and made a good showing.

Many replacements were made in the starting line-up this season with the advancement of Jerry McKee and Benny Winkler, from "B" squad to Starting men and the varisty. Good work boys.

Winter Dreams

The Senior Prom came to a close as the magic hour of midnight drew near.

Though the dance is over the memories will linger in the minds of all the Cinderellas and Prince Charmings who attended.

"Multae Lingue"

"Multae Lingue," a foreign language club, was formed at Mead High of students who are taking or have taken a foreign language. The "Multae Linguae" sponsored a speaker from Jordon as their first project. In February the club sponsored a soc hop.

In the future, "Multae Lingue" plans to correspond with foreign language clubs from other schools. Among other activities, a feature of the club will be speakers from foreign lands.

Dear Tom

I'm sure sorry we couldn't be in a class this year because we had so much fun last year. Maybe next year. Good luck to a real wonderful guy. May God bless you always.

Todays' schools are constantly being pressured into setting the pace. Our school often sets the pace, sometimes lags behind, but there is no doubt that the students are the strength behind our school. This is why we have dedicated our Pine Burr to the Youth of America.

We are proud of our school; in sports, in scholarship, and in the production of fine citizens. It is the purpose of this book to give the reader a more complete appreciation of what our school has to offer its youth.

Class History

Entering high school in September of 1956, an enthusiastic group of freshmen was determined to leave an enviable record of activity and scholarship behind them at the termination of a four year period. They presented the "Gallopade," the dance with the largest attendance of the year, featuring Disc Jockey, Johnny Mack. In their sophomore year they again were eager beavers, sponsoring a Roller skating party in October.

As dignified juniors their interests turned toward more serious thoughts and activities. Homecoming activities, junior-senior prom and picnic honoring the Class of '59 were included in their busy schedule.

Then the climax of busy and pleasant high school years found eighty-six seniors looking forward to graduation. "Winter Dreams," the senior prom, converted the Mead gym into a wonderland of beauty. Members of the Class of '60 have been participants in activities - sports, drama, music, annual, journalism, F. T. A., F. N. A., - and yet over thirty have maintained a better than "B" average. We look forward to entering college or the vocational field with mixed emotions of regret and anticipation.
